On July 13, 2018, the parties informed the Court that a settlement in principle had been reached but requested that the case remain open. The parties indicated that they would file a status report by August 31, 2018. No report was ever filed.

It is ORDERED that within 30 days of this Order, the parties shall inform the Court of whether this case has been settled. If the case has not been settled, the Court will schedule a status conference to determine how the parties intend to proceed with litigation.
